the 8th edition of canadian business english offers students the tools they need to

reach excellence in language skills while reflecting today's Canadian workplace landscape and the new technologies and challenges facing students in their professional life. This edition further reflects Canadian diversity, emphasizes professional vocabulary and focuses on the employment skills of editing and proofreading with a new glossary and an additional 150 exercise questions added to this edition. Students will have the resources to feel confident in their learnings. Students will also appreciate purposeful writing workshops and study tips designed to help them retain and apply their knowledge.

Raven's 8th edition of *Environment* offers more detailed content than the visualizing text for a better understanding and integration of the core environmental systems and to view and analyze the role those systems play. Shorter but still comprehensive coverage focuses on ethical decision making and key local environmental science issues requiring readers to think critically about the course material outside of the classroom. Other features include brief text in the comprehensive segment, extensive chapter pedagogy to help reinforce the systems approach, more opportunities to think critically about how systems intersect and fit together, and new data interpretation questions at the end of each chapter.

Exploring Psychology, eighth edition in modules is the modular version of the 1 bestselling brief introduction to psychology. David Myers's *Exploring Psychology* has all the Myers hallmarks: here the captivating writing, coverage based on the latest research, helpful pedagogical support in a format that delivers the utmost in student accessibility and teaching flexibility.

1400 questions and a test simulating CD deliver unmatched preparation for the radiography certification/recertification exam. 4-star Doody's review: This is an excellent resource for radiography student interns to use to prepare for the national registry. It poses a series of questions from each integral portion of radiography and covers all the units thoroughly. This is a wonderful resource for students to use to fully prepare for the exam. This is the best book around to prepare interns for the exam. Doody's review: Service-Lange's *Radiography Examination*, 8th edition, provides radiography students and recertifying radiographers with more than 1,400 registry-style questions with detailed answer explanations.
