this inspiring book from popular ces speaker ryan sharp demonstrates how your favorite scriptural heroes were able to connect with the divine and can help you in your own spiritual journey be

inspired by nephi's steadfastness, alma the elder's and alma the younger's conversion, the conviction of king lamoni, his father, and the anti-nephi lehi's captain moroni's obedience, mahonri moriancumer's faith, along with many others, this book shows how mortal men came to know the savior, learn to meet him as they did by following in their footsteps and discovering christ in new and profound ways.

A daily journal is the mirror image of your soul, letting the light shine and reaching out to others through the grace of god. This book offers a daily roadmap for your spiritual journey in walking with the lord. Keep that smile on your face; it could be the answer to someone's prayer. Most everyone can smile, although many do not. An effortless spiritual gesture that can help change the direction of the soul, let others know that you are proud of them, do more for others than you do for yourself. Have you found joy in your life? Has your life brought joy to others? God's gift to us is life. What we do with this life is our gift to god. God does not make mistakes, and god does not make junk. You are a divine child of god, one of god's precious children. Be nice to yourself because you're worth it, and god loves you. Love is the key to understanding through prayer. Praying to the lord by giving 15 minutes a day to this journal shows god your love for him, and in return, god will answer your prayer, spiritually or monetarily, showing his love for you. Faith will keep you on that less-traveled road. God will occasionally stick us back into the fire to burn the impurities from this precious piece of gold, our soul. This is why so-called bad things happen to good people; it is just the lord changing our direction. Once we understand why we are here and our calling for god to help others, we will only know where we are going. The lord's prayer mentioned on earth as it is in heaven, bible basic instruction before leaving earth, helping someone will make you feel good about yourself, and this book offers the tools needed.

the idea of predestination which seems to have a scriptural basis is actually a trojan horse while appearing to many to be a gift of grace it is actually full of deceptions and completely inconsistent to the plan of salvation holding that man has no free choice and that god has already selected a favored few of his children for salvation while committing the rest most of mankind to damnation regardless of merit to explore this subject with maximum clarity i will present the doctrine of predestination in sharp relief to the true doctrines of the wondrous plan of salvation for all mankind this presentation includes a detailed description of what the doctrine consists of it s origin and history the scriptural authority referenced to support the doctrine its implications and a discussion of how and why the idea of predestination is inconsistent and at odds with the gospel of jesus christ to better introduce this subject i begin the first chapter of this book with a personal experience an experience that heightened my own awareness of the issue
