the vile man of daniel examines all scriptures related to the vile man or beast who arises in the final days of mans rule on the earth it is a fresh look at the scriptures and only the scriptures without the shroud of religion all scriptures written about the beast must fit together perfectly the old testament the gospels and the new testament there can be no contradictions the book suggests that the missing ingredient with respect to proper interpretation is the hidden mystery of the one body of jesus christ which is not accounted for in the old testament but kept hidden in god until revealed to the apostle paul in the first century once this is understood whole sections of scriptures become plain and clear and perfect
