clara e rodríguez as is befitting a book on latinas os at the start of the 21st century the chapters in this volume reflect the contemporary panorama of latinas os in the united states today latinas os are the largest minority group they accounted for 12 5 of the total u s population in the last decennial census recent estimates sho wed the hispanic population to be 41 3 million as of july 1 1 2004 or 14 of the nation s total population however this estimate does not include the 3 9 million residents of puerto rico who are also u s citizens and would raise the total to 2 45 2 million this would make the u s population of latinos the second largest spanish origin population in the hemisphere after mexico the growth of this population since 1980 has been dramatic hispanics latinos grew more than seven times faster than the population of the nation as a whole increasing by half whereas the white non hispanic population increased by only 6 between 1980 and 1990 u s bureau of the census 1991 table 1 u s bureau of the census 1993 p 2 in the 1990s the hispanic population increased 58 moreover between 2003 and 2004 one of every two people added to 3 the nation s population was hispanic latino consequently not only are

latinos a substantial part of the u s population but they account for half its population growth

while latinos comprise a diverse minority group with various religious beliefs political ideologies and social values commentators on both sides of the political divide have lumped latino americans into a homogenous group that is often misunderstood latinos in the united states what everyone needs to know provides a comprehensive and thought provoking exploration of the way that unlike any other ethnic group latinos will thoroughly redefine the way america understands itself in the future

a revision of the popular previous edition published more than a decade earlier this work examines today s u s latino population now arguably the most important minority group in the country with numbers well over 50 million strong in an increasingly diverse and integrated america latinos are the largest minority in the united states and as such latino americans have a tremendous influence on the culture workforce economy and politics of this country this second edition of u s latino issues provides updated content stats and data for each topic and it frames critical questions and multiple viewpoints on latinos in the united states that will be useful to student researchers the responses to the critical questions come from latino experts and scholars and other well known subject experts providing readers with insights from various informed points of view all in a single volume the book covers hundreds of topics regarding latino americans such as gender sexuality indigenous culture race and cultural identity health and wellness education and interracial dating and marriage and it offers in depth comparisons of the latino groups and shows how events in their native countries affect them readers will have access to concise and up to date information on controversial topics such as affirmative action immigration reform open borders policy versus border enforcement changing relations between the united states and cuba and puerto rico s contested status as a commonwealth versus a state

the new latino studies reader is designed as a contemporary updated multifaceted collection of writings that bring to force the exciting necessary scholarship of the last decades its aim is to introduce a new generation of students to a wide ranging set of essays that helps them gain a truer understanding of what it s like to be a latino in the united states with the reader students explore the sociohistorical formation of latinos as a distinct panethnic group in the united states delving into issues of class formation social stratification racial gender and sexual identities and politics and cultural production and while other readers now in print may discuss mexican americans puerto ricans cubans and central americans as distinct groups with unique experiences this text explores both the commonalities and the differences that structure the experiences of latino americans timely thorough and thought provoking the new latino studies reader provides a genuine

view of the latino experience as a whole

the companion book to the pbs documentary series latino americans chronicles the rich and varied history of latinos who have helped shaped our nation and have become with more than fifty million people the largest minority in the united states this companion to the landmark pbs miniseries vividly and candidly tells how the story of latino americans is the story of our country author and acclaimed journalist ray suarez explores the lives of latino american men and women over a five hundred year span encompassing an epic range of experiences from the early european settlements to manifest destiny the wild west to the cold war the great depression to globalization and the spanish american war to the civil rights movement latino americans shares the personal struggles and successes of immigrants poets soldiers and many others individuals who have made an impact on history as well as those whose extraordinary lives shed light on the times in which they lived and the legacy of this incredible american people

as the major driver of u s demographic change latinos are reshaping key aspects of the social economic political and cultural landscape of the country in the process latinos are challenging the longstanding black white paradigm that has been used as a lens to understand racial and ethnic matters in the united states in this book sáenz and morales provide one of the broadest sociological examinations of latinos in the united states the book focuses on the numerous diverse groups that constitute the latino population and the role that the u s government has played in establishing immigration from latin america to the united states the book highlights the experiences of latinos in a variety of domains including education political engagement work and economic life family religion health and health care crime and victimization and mass media to address these issues in each chapter the authors engage sociological perspectives present data examining major trends for both native born and immigrant populations and engage readers in thinking about the major issues that latinos are facing in each of these dimensions the book clearly illustrates the diverse experiences of the array of latino groups in the united states with some of these groups succeeding socially and economically while other groups continue to experience major social and economic challenges the book concludes with a discussion of what the future holds for latinos this book is essential reading for undergraduate and graduate students social scientists and policymakers interested in latinos and their place in contemporary society

named one of the best books of the year by npr an npr best book of the year exploring the impact of latinos new collective racial identity on the way americans understand race with a new afterword by the author who are latinos and where do they fit in america s racial order in this timely and important examination of latinx identity ms laura e gómez a

leading critical race scholar argues that it is only recently that mexican americans puerto ricans cubans dominicans central americans and others are seeing themselves and being seen by others under the banner of a cohesive racial identity and the catalyst for this emergent identity she argues has been the ferocity of anti latino racism in what booklist calls an incisive study of history complex interrogation of racial construction and sophisticated legal argument gómez packs a knockout punch publishers weekly illuminating for readers the fascinating race making unmaking and re making processes that latinos have undergone over time indelibly changing the way race functions in this country building on the insightful and well researched kirkus reviews material of the original the paperback features a new afterword in which the author analyzes results of the 2020 census providing brilliant timely insight about how latinos have come to self identify

the history and experiences of the diverse groups labeled latinos in this country are abundantly documented in this major new collection from the treaty of san ildefonso in 1803 to remembrances of life on the frontier to the young lords platform of 1969 to a discussion of latinos and the war on iraq today this 3 volume collection showcases more than 400 crucial primary documents from and concerning the major latino groups in the united states sources include letters memoirs speeches articles essays interviews treaties government reports testimony and more the voices include whites as well as latinos prominent and obscure and americans as well as foreigners the bulk of the primary documents concern mexico and the united states and mexican americans who paved the way for immigrants from cuba puerto rico the dominican republic and central and south america to come the scope also includes primary documents pertaining to events in latin american and caribbean history that have had an impact on these groups each primary document has a short introduction placing it in historical and cultural context an introduction that gives an historical overview a chronology a selected bibliography chock full of useful websites and a set index provide added value sample documents memoirs of early texas commentary by a mexican diplomat on the treaty of guadalupe hidalgo of 1848 essay on the social condition of new mexico in 1852 cuban independence leader jose marti in new york on race 1894 el corrido de gregorio cortez a ballad about a mexican who stood up to the texas rangers in 1901 excerpts from an autobiography by ella winter on school segregation in the 1930s a latino soldier s reminiscences of world war ii testimony from a bracero worker in the 1950s article on cuban miami in the 1960s socioeconomic profile of dominicans in the united states in 2000 interview with subcomandante marcos from the zapatista army of national liberation

explores the origins of the latino people among native americans their persecution at the hands of the spaniards and modern inroads into american society
