this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1920 edition excerpt the author how he became a magician an autobiography there was nothing remarkable about the advent into this world of the author of this book he did not glide onto this mundane sphere through the medium of a meteor neither was he a mere scintillating ray emanating from a lucky star nor is he conscious of having been born under a lucky moon he cannot boast of progenitors supernormally endowed by a mathematical phenomenon allotting to him a distinction to claim as a birth right inheritance of the seventh son of a seventh son but to the best of his knowledge and belief he came into this world in the conventional way by virtue of the stork and that without even so much as a strawberry mark on his left arm or the proverbial silver spoon in his mouth he was just born he is not aware of the exact moment of the event neither can he vouch for the condition of the born in prince street city of new york september 9th 1847 i natural elements which prevailed he really does not know if jupiter and ajax were in conjunction at this time and combined forces to express wrath or if they bent their energy to celebrate the eventful occasion in a befitting way with celestial pyrotechnics his mind is not clear on these points he does however vividly recall the fact that the year was the forty seventh in the nineteenth century and the month was september the ninth month of the year also that by a strange coincidence the day was the ninth of the month so since nine is in mathematical progression the multiple of the mystic symbolic digit 3 it is possible that whatever faculty for or predilection he had toward the marvelous and the mysterious may be due to abnormal development of his bumps of curiosity and

most of us know of gifted people van gogh einstein bach hawking mathematicians psychics and so on but did you know other abilities are possible with spiritual training one can achieve abilities far beyond anything we can comprehend right now with the right training this book is an introduction to the subject of genuine magic designed to empower the reader and to aid in their transformation this book also gives magical instructions not found anywhere else on how to bring abundance success and how to bring happiness through spiritual growth into ones life a genuine sea change on new age techniques the second part of the book is about one such person who trained with some of these spiritual exercises and techniques daily for 30 years eventually he became a genuine magician going through a transformation which increased his powers 1000 times or more after this extraordinary effort this magician was capable of creating earthquakes 360 degree vision and could even stop time itself impossible we are a thought created moment by moment containing all that is was and ever shall be the reflection within the reflection with the help of his teacher he not only made it to the first great transformation to the second but on to the third great transformation where the ability to speak thought into being is conferred cast in the form of conversations between the author and this magician this book is set at the turn of the 21st century astonishing deceptive in its unassuming easy style this book itself is a work of magic designed to bring transformation to the reader in a most subtle way so that we ordinary people are be inspired to use magic in their daily life as like attracts like when you begin to achieve positive results you will find every part of your life changing the uncommon becomes the familiar what you never imagined could be suddenly is all around you and that is just the beginning

over the years many books have been written on the topics of business and marketing for magicians covering everything from restaurant magic to cruise ships to trade shows and more many of these books are excellent resources for a professional magician seeking to expand their business so far however no book has ever been written on the hardest part of performing magic for a living getting started how to become a professional magician is the first book of its kind a complete guidebook for making the transition from an amateur to a working professional step by step with absolutely nothing left out most books on the business of magic simply tell you what to do if you're already a professional magician they assume that you already have marketing materials a professional repertoire a list of clients a solid foundation of real world performing experience and all the other things required to be a working pro rather than assuming you already have these assets how to become a professional magician shows you how to actually get them topics covered include strategies for building a rock solid professional repertoire that you can perform for anyone anywhere anytime and count on getting great reactions a detailed sequence of steps for approaching groups of people at strolling gigs and commanding their respect and attention before you even perform a single trick how to determine what to charge for your services including specific guidelines and examples detailed discussions of various marketing materials including which forms of marketing you should avoid in order to prevent wasting time and money a complete breakdown of the process of booking a gig from receiving the first email or phone call all the way up to collecting the paycheck specific guidelines and criteria for putting together a wardrobe of performing attire that creates a powerful professional image and commands the respect of your audiences and clients an entire section devoted to restaurant magic detailing a range of strategies for locating restaurants that are well suited for magic approaching and selling your services booking the gig and keeping it long term a detailed discussion of negotiation principles with a special emphasis on how these principles apply specifically to the world of magic how to acquire a basic level of performing experience so that your performing skills are razor sharp from the very first time you do a professional show how to start booking paid gigs even if you have no prior experience marketing yourself and much more how to become a professional magician is designed for performers of all kinds whether you want to perform large stage shows or intimate close up magic for children or adult audiences at colleges corporate events schools private parties or any other venue the principles in this book will help you build the performing skills and business foundation necessary to pursue your personal unique goals many books on the business of magic are only 20 30 pages long and often consist of crudely photocopied pages stapled together by hand despite their minimal content and low production values these small booklets often cost anywhere from 30 60 and occasionally more how to become a professional magician is over 400 pages long with absolutely no fluff or filler and is professionally printed and bound to the same standards used by major literary publishing companies this is a book that you'll be proud to keep on your bookshelf for years and refer back to again and again as your business expands and grows if you've ever wondered what it would be like to perform magic for a living but simply didn't know where to start then how to become a professional magician will show you exactly how to go from amateur to professional as quickly and easily as possible so that you can earn a living doing what you love

and achieve your dream of becoming a professional magician

magic is real that reality is explained by world renowned quantum physicist dr william turner to his daughter sasha within the pages of his journal yet on the same day that she mysteriously receives the journal she also receives the shocking news of her father's recent incarceration and inexplicable escape from a maximum security mental hospital in switzerland where he was being held accused of murder thus begins professor sasha turner's whirlwind odyssey which takes her and her teaching assistant travis gardner around the world to help her father foil an international conspiracy from texas across europe to the middle east but along the way she soon discovers what her father told her was absolutely true magic is real and the fate of the civilized world may very well hinge on her learning how to wield it fortunately dr william turner trained as a top scientist but having become a master magician himself is very explicit in his journal about how mortal folk learn the art of magic and exactly how to travel the road to becoming a true magi an excerpt from the journal of william turner indeed what you are about to learn isn't a compendium of mere myth and lore but a wealth of ancient secrets revealed magical methods and techniques detailed and true wonders explained however the proof of my words lies not in my testimony alone dear reader but rather in the observance and replication of my instructions and thus believing the witness of your own eyes as to what comes of your own preparation and actions the incredible journey for sasha and travis all begins with discovery of the faces in the stones

excerpt from the magician's own book or the whole art of conjuring the publishers of this interesting volume do not conceive that it requires an elaborate introduction to the reading public some brief remarks however may not be inappropriate as a preface to the magician's own book since the black art as in lessened lightened ages the practice of all these innocent and interesting feats was termed is not yet as popularly understood in this country as it is abroad there is a charm in legerdemain or sleight of hand that all whether young or old can readily appreciate there is a mystery in it that piques the understanding as well as provokes the curiosity of the spectator if the trick be executed with address it excites our admiration and the simpler it appears the more it engages our fancy and fascinates our attention and it is not only when we are mystified in public cajoled in great saloons and in the presence of crowds that these effects are developed they are called forth by the performances even of some humble artist in the family circle whose ingenuity of mind has enabled him to gather up the more available of these practical puzzles it would seem therefore a useful thing to place this source of harmless amusement within the reach of all who can relish its eccentricities and instead of leaving it in the hands of professors as a pecuniary speculation to enable the domestic group to master and enjoy it in all its ever varying phases of novelty and gratification to do this is what the publishers propose in the issue of this volume and they flatter themselves that if carefully studied it will prepare the young conjuror to convert the parlor at any desirable moment into a place of genuine entertainment for himself and his companions and ample repay him for the little time and thought he may devote to the acquisition of the necessary skill and dexterity sleight of hand magic necromancy & are all terms of art applicable to the same series of performances about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
