across the political spectrum there is enormous interest in how local community organizations can help raise children who are growing up in poverty this timely book examines the processes and outcomes at six inner city boys girls clubs one of the leading youth development organizations in the country featuring critical analysis and practical guidelines from a well known authority on early adolescence this information packed volume demonstrates how after school programs emphasizing staff mentoring can provide critical resources for helping urban youth navigate the tumult of early adolescence includes engaging stories the voices of adolescents examinations of their interaction with staff and analysis of the linkage between these relationships and youth well being examines how savvy staff embrace positive dimensions of youth culture to enhance program effectiveness includes specific guidelines for how these types of after school programs can build on what they do best including how to incorporate selected aspects of more structured approaches investigates how gender shapes after school programs and much much more

limelight born out of the necessity pannell recognized during her years of teaching theatre to young people in

community centers and public and arts schools here at last is a collection of monologues and scenes that today's inner city kids can relate to both literally and figuratively these brief dramatic works speak the language of contemporary pre teens and teens ages 8 18 bringing to light the reality of their city lives not only for theater instructors and their students real will be useful to counselors group leaders teachers working with urban youth and anyone searching for a means of involving young people in discussions important to their lives

trauma has unfortunately become an all too familiar occurrence in the lives of children with a majority of youth experiencing a traumatic event before the age of 18 with the rise of school shootings and recent march for our lives this timely book will address intervention strategies for social workers and counselors to combat this negative phenomenon urban youth trauma focuses on urban violence and guns while due attention is also paid to other forms of trauma in order to ground violence related trauma within the constellation of multiple forms of trauma violence and more specifically that related to guns is very much associated with urban centers and youth of color divided into three parts this volume traces the roots of urban youth trauma parts i and ii provide context and foundation for the problem and intervention strategies part iii takes the reader through a variety of intervention strategies directly related to the community's assets the strength of urban youth trauma's lies in its focus on the community itself as the key to survival resilience and change

from a team of experts who have researched the information habits and preferences of urban teens to build better and more effective school and public library programs

this timely book demonstrates why there needs to be a more thoughtful and collaborative effort on the part of k 12 schools as well as institutions of higher education to provide better college access to students from low income communities building on a 10 year case study of a successful school university partnership the authors examine the support mentoring and resources needed to transform the college opportunities and life chances for

underrepresented urban youth featuring firsthand accounts from student participants the book documents how the model provided college access to some of the most selective and prestigious universities across the nation because this partnership situates college access within a social justice framework it is one of the more unique programs in the country book features shows what successful partnerships look like when schools and districts work with common goals and outcomes documents an approach that identifies promising students early in their high school careers emphasizes college access with a commitment to social justice equity and investment in schools and communities focuses on student perspectives to identify mentoring and high school resources that make a difference in their college pursuit includes viewpoints of university personnel and parents about the impact of the program on students

the second edition of 19 urban questions teaching in the city adds new questions to those in the original volume continuing the developing conversation in urban education the book is provocative in style and rich in detail emphasizing the complexity of urban education shirley r steinberg and the authors ask direct questions about what urban teachers need to know their answers are guaranteed to generate both classroom discussion and discourse in the field for years to come the book not only addresses questions pertaining directly to today's urban schools but poses new ones for discussion teacher education and urban school research steinberg has gathered an impressive cadre of teacher scholars who are engaged in a socially just urban pedagogy

this research topic is a part of a collection on the topic of cognitive and mental health improvement under and post covid 19 an increasing body of research suggests that the covid 19 pandemic has worsened global mental health and caused more cognitive impairments whereas the covid 19 pandemic is still ongoing in some regions it is expected to be ending for most regions in the very near future from a psychological psychiatric and public mental health perspective it is of vital importance to conduct effective and efficient interventions to promote

cognitive and mental health for they not only are essential for us to cope with the ongoing pandemic but also necessary for us to rebuild a better world post the pandemic not to say that a healthy cognitive and mental health state is at the core of human wellbeing and deserves its own place from previous studies and everyday practices we already know that regular exercise appropriate sleep nutritious diet close social ties connection with nature mindfulness among others help improve cognition and boost mental health however the optimal regimen for each specific cognitive and mental health outcome for a specific population including both those of healthy and clinical is unclear and remain to be identified furthermore the underlying psychological physiological and neurobiological mechanisms through which each activity or intervention improves cognition and promotes mental health are to be clarified

this book demonstrates the potential of after school activities ranging from sports to the visual and performing arts and the humanities to transform young lives case studies of exemplary organizations and innovative communities within urban centers throughout the u s round out the work

community practice and urban youth is for graduate level students in fields that offer youth studies and community practice courses practitioners in these fields too will find the book particularly useful in furthering the integration of social justice as a conceptual and philosophical foundation the use of food environmental justice and immigrant rights and the book s focus on service learning and civic engagement involving these three topics offers an innovative approach for courses

the challenges and obstacles to full participation of african american men in the mainstream economic and social structure of american life is rapidly becoming an area of public debate the essential rationale for this work is that there is a need to clarify the basic issues and to achieve a better understanding of the obstacles facing young black men in our society this study is designed to enhance current knowledge and understanding of how

different people in urban communities are attempting to address the needs of young black men its purpose is to further academic understanding and knowledge about community based male socialization programs for black inner city youth

in high impact practices with urban youth circles at the center a guidebook for practitioners and scholar activists yan dominic searcy and troy harden provide research based best practices in an accessible format to bridge the gap between practitioners and researchers who are specifically working to improve the life outcomes of urban youth the best youth work combines art and science searcy and harden effectively blend both to ground the next generation of interventions aimed at improving youth program outcomes

this timely volume explores essential themes issues and challenges related to adolescents lives and learning in underserviced urban areas distinguished scholars provide theoretically grounded multidisciplinary perspectives on contexts and forces that influence adolescent development and achievement the emphasis is on what is positive and effective what can make a real difference in the lives and life chances for urban youths rather than deficits and negative dysfunction going beyond solely traditional psychological theories a strong conceptual framework addressing four domains for understanding adolescent development undergirds the volume developmental continuities from childhood primary changes biological cognitive social contexts of development adolescent outcomes a major federal government initiative is the development of programs to support underserviced urban areas directly relevant to this initiative this volume contributes significantly to gaining a realistic understanding of the contexts and institutions within which urban youths live and learn
