understanding the prophetic call and ministry

during his ministry which included extended pastorates in chicago and toronto dr tozer was often referred to as a prophet that doesn't mean he predicted future events but rather spoke god's truth to believers and the culture even if it meant disrupting the status quo even in the bible prophets were much more likely to hold god's people and their leaders accountable to the truth of god's word than they were to foretell the future the encouragement in voice of a prophet is that the church today is in desperate need of the kind of prophet tozer embodied and describes in this important new book using the lives of such prophets as elijah elisha and john the baptist tozer underscores the importance of the ministry of the prophet in today's church

here is a fascinating study that contributes much to our understanding of the gospel tradition and in addition provides evidence that biblical theology is still alive and flourishing morna hooker reviews the prophetic actions in the old testament and compares these with the way in which prophetic figures behaved in jesus's day in particular john the baptist and the so called sign prophets she then turns to jesus and considers those actions that can be described as prophetic signs or dramas hooker discusses the sign of jonah jesus's refusal to perform signs the miracles and other prophetic actions like the renaming of simon jesus's eating with tax collectors and sinners and the prophetic signs associated with jerusalem reaching a climax in the last supper a final chapter examines the different ways in which the four evangelists interpreted jesus's prophetic actions

and a prophetic message to the nation of nigeria by segun olumide

so you want to be a prophet are you crazy is a warning and an encouragement to those who desire to serve as prophets of the lord but are unaware of a painful process appropriately called the furnace of affliction many people want to be prophets but for the wrong reasons some prophets say only a crazy person would want to be a prophet of the lord that is not to diminish the honor of the position it is simply because of the commensurate suffering and consecration many people witness prophets preaching fire in churches but only a few ever see the fiery trials they endured in the process of becoming prophets a painful process that may take years in kollin s previous book raised in the wilderness rogue reformers rallying the remnant he discussed how the lord molds prophets outside of the institutional church oftentimes insulated and isolated now in so you want to be a prophet are you crazy he presents some of rigors of prophetic ministry many aspiring prophets overlook when studying the biblical prophets he also boldly shares a part of his own journey where he endured hell on earth as witches and evil spirits tried to make him walk away from his calling and his beloved god so you want to be a prophet are you crazy is absolutely meant to present hard truths to deter anyone from trying to become a prophet unless the lord calls jesus said many are called but few are chosen sadly fewer endure until the end being a prophet is not for everyone the lord has a customized program for every person he calls into prophetic ministry for the perfecting of the saints and some suffer more than others all prophetic candidates and prophets suffer but it is to ensure they do not crumble under the adversities they will face during their respective ministries if you desire to become a prophet so you want to be a prophet are you crazy will help you determine if the source of the desire is from your flesh or potentially from the lord can you endure the lord s process in the the furnace of affliction

something is stirring inside of you but it has been silenced gravely undermined and misunderstood you must believe that god has not forgotten you he has not sidelined you you are not crazy prophet arise come out of your cave and be encouraged to speak forth the word of the lord god is calling you to be his trumpet and to sound the alarm the body of christ desperately needs prophets to awaken and go forth whether you have never spoken a prophetic word or you actively engage your gift best selling author john eckhardt provides an unparalleled inspiring teaching for you he boldly reveals the characteristics of a prophet that may lie dormant in your life so god can launch you into your calling you will learn unique characteristics of a prophet the details of a prophet s call what moves a prophet s heart and stirs the anointing the rewards a prophet brings to those who receive them how to find healing and deliverance for the prophet who has been hurt and much more
